And You Thought Basketball Season Was Over...

Volume 1, Issue 3,
Compiled by Vicki Thompson

April, 2009

Dates to Remember:

- ☉ April 2 - HS Track Meet @ Alberton, PTSA meeting 7:00 in the library.
- ☉ April 7 - HS Track Meet @ Helena.
- ☉ April 13-17 - Spring Break
- ☉ April 20 - Junior High Track Starts.
- ☉ April 22 - HS Track Meet @ Augusta
- ☉ April 23 - 9th & 10th Grade Track @ Power
- ☉ April 24 - Mid-Term Reports
- ☉ April 25 - Seeley HS Track Meet @ Big Sky High School in Missoula, **Prom**
- ☉ April 27-May 2 - Missoula Children's Theater

Just when you thought it was safe to begin watching a new sport, the littlest members of our school begin their long awaited basketball season. Since Lincoln School only has one gym, the 1st through 4th grade students must wait patiently until the junior high and high school students have finished their season in order to have a place to play ball. This year, Coach Brown has been working with the players during their P.E. time and then has games 3 to 4 times per week in the evenings so that parents and community members can

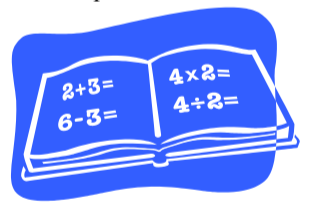

watch them play. 1st and 2nd grade classes are split into two teams and play the earlier game, while the 3rd and 4th grade classes are split into two teams and play the later game. The games consist of 4, 6 minute quarters and the players rotate out to give each person a well deserved break. Coach Brown, Casey Burns, and Greg Christiansen help to referee the games and give the players pointers throughout. The players are learning many skills from their coaches that they will use as they progress into junior high and high school basketball. The final two basketball games for these players will be April 1st starting at 6:00 p.m. and April 4th at 10:00 a.m. Be sure to continue watching these players, as they could be State Champions some day!!

Just for Fun

Q: What kind of food do math teachers eat?
A: Square meals!

Lincoln 8th Grader Qualifies for State Geography Bee

Shelby Maughan, an 8th grade student at Lincoln School recently qualified to attend the State National Geographic Geography Bee in Billings. School winners have to take a qualifying test after he/she wins at the school competition. In order to be invited to compete at the state level, the student must score in the top 100 students state wide. As you can see, being invited to the state competition is a big honor! Shelby will be traveling to Billings on Friday, April 3rd, to represent Lincoln School. We all wish her the Best of Luck!

Prom

Lincoln High School's Prom will be held on Saturday, April 25th. The Grand March, which parents and community members are invited to attend will be at 8:00 p.m.

Spring Break - April 13-17

Destination Imagination

On Saturday, March 8, two teams of Lincoln School's Gifted and Talented students, competed against eight teams in the Destination Imagination Regional Competition in Great Falls. The 3rd-5th grade team, which included Morgan Barker, Cailey DenBoer, Madeline Norton, and Izabella Morgan, placed 2nd in their challenge, and the 6th grade team, which included Abby Castagne, Toni Hagen, Sam Brady, Reanne Gehring, and Robby Gehring placed 1st in both of their challenges. Destination Imagination teaches young people from kindergarten through university-level the critical and creative thinking skills needed for success in the 21st Century. The teams received no direct assistance from adults for their challenge projects. The children created **everything** included in the projects, from the research to the set design. Students will compete at the State level on March 28, in Manhattan, Montana. Congrats Lincoln School Destination Imagination teams and good luck at state.

4-H Center for Youth Development in

Experience another culture first hand by hosting a foreign youth this summer. The 4-H Center for Youth Development has 24 Japanese kids, ranging in age from 12-16, coming to Montana from July 21-August 18. Enthusiastic families are needed to host these youth for the month. No special plans are required just a willingness to share your daily lives with someone from another country.

If you are interested, please contact Stephanie Davison at 994-3502 or sdavison@montana.edu.

Principal's Corner

Mrs. Laurie Maughan

These are the students that made honor roll for 3rd Quarter:

Congratulations!!

The Beatles and High School Musical - Great Hits for Lincoln Students!

Okay, here's a question for you...What do the Beatles, second callbacks, and sushi have to do with a bus full of LPS students? Well for starters, a great week-end of fun and two very amazing performances. Thanks to the GEAR Up grant and Lincoln Public Schools, students and parents alike enjoyed the opportunity to attend *High School Musical on Stage* at Great Falls High (Saturday) and on Sunday *The Beatles* ballet and modern dance production put on by the Queen City Ballet Company in Helena. Many of our students who attended had never seen a live ballet performance and found it fascinating to behold. Student comments revealed that everything was excellent in their views and they were very glad they jumped on the bus and came along. Great Falls High put on an entertaining rendition of Disney's *High School Musical* with dancing and singing that enthralled the audience. After the performance we participated in a talkback with the performers so our students could ask questions about the production. To our surprise many of the talented students with noteworthy roles were in junior high or younger. To add to the fun, both days we enjoyed Chinese food at area restaurants with many students bravely trying for the first time such culinary pleasures as sushi and seafood food with tentacles. Now, that's brave! Thanks to the staff, parents and students who joined their GEAR Up Liaison for such a memorable weekend.
