Class of 2009 Prepares to Graduate

Volume 1, Issue 4,
Compiled by Vicki Thompson

May, 2009

The Senior Class of 2009 is preparing to graduate and move on to the next stage of their lives. They are finishing up their required classes and addressing the announcements that should soon be in the mail. We all wish them well in whatever direction they are headed after they leave Lincoln High School.

The seniors have big plans after graduation!

Randie Brady: After graduation I plan to move to Spokane, Washington, to attend Spokane Falls Community College, where I will begin my Bachelors Degree in Interior Design.

Caleb Cyr: My plans are to attend 1 year of bible college and then work as a ranch hand before attending a technical school at a later date.

Jacqueline Erickson: I plan to attend the University of Montana, College of Technology, for nursing in the fall.

Caleb Gardner: My plans are to enter the work force and possibly attend a tech school for diesel mechanics or welding.

Reece Hagen: I am planning on working doing construction and then possibly going to a mechanic school.

Brittney Headley: After graduation I plan on attending Carroll College in Helena to study Political Science. I received the All Saints Scholarship to help with the cost of attendance.

Matt Horner: I plan to attend Missoula College of Technology to study power sports, welding, and diesel technology.

Brant Lumpkin: I will be attending the Davidson Honors College at the University of Montana. I will be studying Political Science with the aspirations of working in the law enforcement field. My career goal is to work for a federal law enforcement agency.

Tel Menard: I plan on going to a college of technology and studying carpentry and construction.

Jacob Schau: I will join the U.S. Army and be a computer detection system repairer.

Jennifer Smart: After graduation, I'm moving to Missoula to work through the summer. I am going to attend the University of Montana for Media Arts. Yay!!

Sianna Thompson: After graduation, I plan to work at the forest service until August. I will then move to Kalispell to attend Flathead Valley Community College to study Pharmacy Technology.

Travis Williams: After I graduate, I will either go to college in Dillon to become a math teacher, or go to college in Bozeman to become an engineer.

Nic Woodley: I plan to go to work and maybe attend a tech school at a later date.

Just for Fun

**Hickory, Dickory, Dock,
Two mice ran up the clock.
The clock struck one...**

**But the other one escaped
with only minor injuries**

8th Grade & Senior Graduation will be held in the Lincoln School Gym
on:
May 24, 2009

What a Challenge

Lincoln School invited nine Junior High students to take the SAT as an added academic challenge. The SAT Challenge is sponsored by the Montana Association for Gifted and Talented Education (AGATE). Students who take the SAT Challenge and score at, or above the level of college entering seniors are recognized by Montana AGATE. All SAT Challenge student scores are placed into a national data base through which they may receive information about advanced academic, and scholarship opportunities. Lincoln students who participated were: Annie Fehrs, Jessica Denboer, Rhett Jorgensen, Wyatt Jorgensen, Johnniann Thompson, Ali Ranf, Shelby Maughan, Nicholas Maughan, and Nathan Castagne. This year, Lincoln had three individuals that scored within Montana's top 100 SAT Challenge students. Those individuals were Shelby Maughan, Jessica Denboer, and Rhett Jorgensen. Congratulations!

The Missoula Children's Theater Production of **The Little Mermaid**

will be held in the school gym on:

Friday, May 1st at 7:00 p.m. & Saturday, May 2nd at 1:00 p.m.

Principal's Corner

Mrs. Laurie Maughan

The week of May 4th through May 8th is teacher appreciation week. Lincoln School is blessed to be full of dedicated teachers and staff who go out of their way to give our students a great education. I would like to share with you several of the things that our teachers are doing above and beyond expectations in order to give our children the best education possible.

- Mr. Carse, Mrs. Lyons, Ms. Grigsby, Mr. Keith and Mrs. Allen have participated in a year long intensive look at technology and many different ways to use technology in the classroom to enhance learning. They have dedicated many weekends to workshops as well as several hours after school.
- Mrs. Carse, Mrs. Templeton, Mr. Christiansen, Mrs. Gardner, and Mr. Maughan all spent last weekend at a conference learning from Carol Ann Tomlinson who is a leading expert in differentiated instruction.
- Mr. Brown, Mr. Pierce, Mr. Reutzler, Mrs. Grantier, and Mr. Carse have all put in many hours into coaching various sports throughout the year-making sure our kids have lots of opportunities to participate in sports.
- Mrs. Brady coordinates Gear-up -giving our students many opportunities to look at higher education. She gives them a glance at the future.
- Mrs. Collinson has been enthusiastically researching Native American Culture and providing our elementary students with hands on learning.
- Ms. Dybsetter is spending many hours putting together another wonderful spring concert with an elementary program and music from the band.
- Mr. Botner is always available to see kids when they need him. He has volunteered to take students and parents on road trips to see programs around the state.
- Ms. Jacobsen spends a week during the summer attending the Reading Institute-and is ready to make sure that our primary age students have the foundations they need to be excellent readers.
- Ms. Pickett is busy preparing to teach 3rd grade next year! We are happy to have her stay.

We have 4 wonderful paraprofessionals, Mrs. Buster, Mrs. Lumpkin, Mrs. West, and Mrs. Ross who enable students to get the individual help that they need.

- Mrs. Thompson and Ms. Williams come in early and stay late to ensure that everyone is taken care of, and the paperwork is kept up.
- Ms. Krier and Ms. Martin keep us fed-even when the supply truck can't get over the pass.
- Mr. Fitzgerald and Mr. Lunde from 5 am to 8 pm, as well as during the summer, work to keep our school tidy and up to par.
- Everyone is busy preparing for the big change next year to a Four-day school week!

I want to express my appreciation for all the fine people that make our school run smoothly. They give their best to our students everyday! Please take a minute to say thank you to a teacher that has done something
