## Goblins and Princesses and Cowboys...Oh My!

Volume 2, Issue 2,  
Compiled by Vicki Thompson

November, 2009

Because of the very generous businesses here in Lincoln, the youngest members of the Lincoln Community had the opportunity to Trick-or-Treat around town with their teachers. After having lunch with the rest of their class, the students in grades kindergarten through 6th grade, along with any and all preschool children at the school, did a walk in the gym so that everyone could admire the wonderful costumes. There were ghosts, goblins, ladybugs, and witches, along with cowgirls and even Winnie

the Pooh made an appearance this year. Once the students were finished in the gym, they all walked through town and got candy and goodies from the businesses. After this long walk around town, the students went back to their classrooms to rest and see what great things they were given. The local businesses have been allowing our students to Trick-or-Treat during the day. The students and staff of Lincoln School would like to send their most sincere "THANK YOU" to all of the businesses that volunteer to be a part of this event every year. Without you, the annual Halloween Walk would not be possible.

**READ IT ~ READ IT ~ READ**

Due to the extraordinary generosity of our local businesses, Lincoln School is once again able to offer the **READ IT** program to the students in grades kindergarten through 6th. Each elementary classroom teacher will set a reading goal for her students. Once the student has reached this goal, he or she will earn a coupon that can be redeemed at one of our fabulous local restaurants. The **READ IT** program was created to encourage students to read and hopefully develop a lifelong love of books and reading. A very heart felt **THANK YOU!** to the following restaurants for participating in Lincoln School's 16<sup>th</sup> year of the **READ IT** program!

- Lambkins Restaurant/ Seven Up Supper Club
- Pit Stop/Pizza Pro
- The Montanan Steak House
- M The Deli
- The Bootlegger
- PondeRose's
- Scapegoat Eatery
- Coyote Coffee

This November, Lincoln School proudly presents **Quantum Learning**.

Quantum Learning is a powerful and engaging teaching and learning methodology. Quantum learning has been proven to increase academic achievement and improve students' attitudes toward the learning process. The Quantum learning programs that are coming to Lincoln will work with students, parents, and teachers on increasing the skills and motivation to contribute to an academically and socially successful school community. Quantum learning includes the 8 Keys of Excellence that we are focusing on school-wide. Students will spend all day on November 12<sup>th</sup> working with Quantum Learning educators. All parents are invited to attend a Quantum Learning workshop on the evening of November 12<sup>th</sup>. The workshop will be from 6:30 – 7:30 pm with dessert served from 7:30-8:00. This will also be time for parents to ask question of the Quantum instructors. Please come and help us celebrate this fabulous opportunity for our students.

For more information on Quantum learning go to <http://www.qln.com>
